Dear Sir:

Your letter of March 18th has been duly considered by Mr. Ford, but he is obliged to conclude that as a matter of policy you cannot be offered co-operation here with respect to your plans to build a racing car for the 500-mile race this season. It would take considerable time to produce the special parts desired, and it is felt it would not be practicable to interrupt our shop schedule with such an undertaking.

Regretting you cannot be given a more favorable answer, and thanking you for submitting the subject, I am

Yours very truly,

Secretary to Edsel B. Ford
