

## Has Chance in Auto Races.

**ARTHUR CHEVROLET.**

Arthur Chevrolet, the local man in the six auto races at the fair today, is considered one of the favorites in the events. He has been racing this season on various fair dirt courses and has shown a lot of speed in his machine. There will be nine other dare-devil drivers in the event, so the closing day of the State Fair looms up as the most exciting one of the whole week. These drivers will furnish the fans with all sorts of thrills and it is expected the grand stand will be packed to capacity for the events.
