

In Gold and Glory Lineup

BILL JEFFRIES.

A unique figure among the colored racing pilots entered in the 100-mile Gold and Glory sweepstakes to be run at the state fairground track, Saturday, August 7, is big Bill Jeffries, who is reputed to be a near-millionaire of Chicago, who races for the love of the sport. He was in the race last year in a special Frontenac built by the Chevrolet brothers, of this city, and it is probable he will drive the same car this season.
