NEW YORK 11

To whom it may concern

This is to certify that Mr. Brown of the Buick Motor Co. has been in the employ of the Buick Motor Co. for the past 2 years as a tool maker and all around machinist. For the past 8 months he has been connected with the receiving department. He has been well known and has been found very satisfactory and reliable and I can recommend his employment in any way. He has no other engagements.

Yours truly  
James B. Chubb

TO WHOM IT MAY CONCERN:

This is to certify that the bearer, PETER MAC GREGOR, has been in the employ of the Buick Motor Company for one year and one month. He is a first class mechanic, machine worker and tool maker.

For the past year he has been connected with our racing team and his work has been eminently satisfactory. He is sober, industrious, competent and skillful and only leaves our employ on account of the fact that our racing team is disbanded.

Yours truly,

Manager, Racing Teams.
