Messrs. Wheeler & Schebler,
Indianapolis, Ind.,

Gentlemen:-

I lowered all American records for
all classes and world records for stock cars
at River Head, Long Island on September 29th,
driving 113 miles, averaging 70 miles per hour.
It is needless to say that my car was equipped
with Schebler Carburetor.

Yours very truly

P.S. I also won four other events at the Lowell..
Mass., Meet with the same equipment.
