FASTEST CARBURETOR TO COMPETE IN *the*

## LOWELL'S BIG ROAD RACE

318 - MILES

The Schebler Carburetor continues the undisputed speed and endurance champion of America.

In the Glidden Tour it was the only perfect score stock carburetor to finish and the only one to finish at Lowell.

**Indianapolis, Ind.**

Louis Chevrolet driving Buick No. 17 in the Lowell race made the second lap of 10.527 miles in 10:33 or at a rate of 60 miles per hour. The only other car to make a lap at this speed was Lytle in the Apperson Jackrabbit. The Schebler in speed defeated the Simplex, two Fiats, Isotta, Renault, three Knoxes, Alco and other American cars fitted with other makes of stock carburetors.
