BALTIMORE

January 20, 1931.

Mr. Walter C. Clayton, Ch. Engr.,
Pitcairn Aircraft, Incorporated,
Pitcairn Field,
Willow Grove, Penna.

Dear Mr. Clayton:

We are sending you our assembly blue print
333 showing the location of the up draft carburetor
and the brackets we propose to put on the intake
manifold extension to support the carburetor to pre-
vent breakage.

Yours truly,

THE GLENN L. MARTIN MOTORS CO.
