

## STORE'S GIFT TO RACE WINNER

The silver service shown above will be presented to the winner of the international 500-mile sweepstake race at the speedway next Monday, by A. L. Block, of L. Strauss & Co. The service, manufactured by Jullus C. Walk & Sons, is valued at \$2,000. Mr. Block decided on the service as his company's special prize to the winner of the big race, in order that the prize might be useful as well as a lasting remembrance of the race. The service is on display in the window of the Strauss store now.
