

TEN START SPEEDWAY RACE FOR POLICE CHIEFS

Dirt Track Stars in Special 25-Mile Event on Brick Oval.

TWO SPEED COPS IN LINE

Some real speed was expected this afternoon when about a dozen racing cars were started in a twenty-five-mile race at the Indianapolis speedway for the special entertainment of the police chiefs who are in convention here. Those who made entries for the race were:

Louie Schneider, I. P. D. Special.
Fuzzy Davidson, Fronty.
Wilbur Shaw, Fronty.
Fred Harter, Clemons Car.
Jack Green, Green Special.
Herb Green, Fronty.
Cy Marshall, Partner Special.
Percy Andrews, Essex.
Rex McCormick, R. and M. Special.
Charles Marlett, Huff Special.

Nearly all the drivers entered have won more or less fame on the dirt speedways. Harter is the mid-west champion, having won the 100-mile race at the Hoosier speedway on July 4. Schneider and Marlett are speed cops with the Indianapolis department.

The officials of the race follow: Sergeant Morrissey, pace car; Arthur Chevrolet, starter; Lieutenant Claude Johnson, timekeeper; Lieut. Louis Johnson, referee.
