Mr. Edward F. Naukom,
216 Vanderveer St.,
Middletown, Ohio.

My dear Mr. Naukom:

I received yours of December 18th and was very pleased to read the Swiss history translation that you sent me and for which I thank you very much.

As you said, I have always been proud of Switzerland, although I did not know much of its glorious history having left it when my parents moved to France in 1886, I was then about 7½ years old. You and I have very close birth dates, mine being on the 25th of December 1878 just twenty years and one day after yours, I was born in La Chaux de Fond, but my folks moved from there when I was six weeks old and went back to their own native town of Bonfol and Beurnevésain (Bernes) which they left to go to Beaune (Cote D'or) France, where I was educated and then came to America in 1900.

You addressed ~~to~~ your letter to me at the Chevrolet Motor Company and they forwarded it to me, as I have not been connected with the Company for quite some time.

I am returning to you the newspaper clipping in regard to the Gasogens - Imbert that you sent me.

Again thanking you and with my best personal regards, I am
